

PAOLO LEGATO

 Copenhagen (DK)  [linkedin.com/in/paololegato/](https://www.linkedin.com/in/paololegato/)

PROFILE

I am a professional with a unique multidisciplinary background, combining a solid scientific foundation with executive leadership expertise and rigorous operational discipline. This synergy allows me to bridge analytical rigor with a strategic vision for business, interpersonal relations, and cross-functional corporate operations. Over a 25-year career, I have proven my ability to lead complex projects, to restructure and relaunch organizations, and coordinate large-scale teams.
